WHY CHOOSE US AS YOUR OUTFITTER -

- 1) We're experienced and knowledgeable. We have outfitted more people for canoe trips and have been under the same management longer than any other outfitter. Serving the canoeist since 1946!
- 2) Since we have two bases of operation (downtown Ely and Moose Lake) we are able to quickly service all area entry points.
- 3) CCO is family owned and operated. Outfitting camping and fishing trips is our only business so we direct our entire attention towards assuring you a safe, exciting, and memorable time.
- 4) We are willing to honor half-day rates on rentals, something most other area outfitters will not do.

ORIENTATION - Trip routing, orientation, and all paperwork is taken care of at our downtown Ely outfitting base (conveniently located on Ely's main street, across from the city park). Before you depart on the trip, we'll go over the detailed maps, indicating the better campsites, fishing holes, and scenic points of interest. We will help you plan a route that best suits your needs, whether it be one requiring travel each day or a relaxing base camp. Orientation also includes instructions on use of our equipment, fishing and camping techniques, safety, and more.

STARTING OFF - Complete outfitting includes a free van shuttle to the Lake One, Snowbank, Fall, Mudro, Gabbro, Farm Lake, and South Kawishiwi River entry points. For those groups starting their BWCA or Quetico trips at Moose Lake we maintain a private base that includes on-site canoe rentals, towboat shuttle service, and free protected parking.

Partial Outfitting includes free delivery of rental canoes to the Lake One, Snowbank, Fall, Farm, and Burntside Lake entry points. For all other entry locations we provide cartop carriers or use of a canoe trailer (both free of charge).

If you'd rather leave your vehicle at our downtown Ely outfitting base during the trip then we'll provide a van shuttle to your entry point. Listed below are "one way" costs for a van holding up to 9 people using partial outfitting (most van shuttles are free with complete outfitting.)

PARTIAL OUTFITTING - Canoes and camping gear may be rented individually according to the rates listed on the reservation form. We have solo, tandem, 3-seat and 4-seat canoes available.

YOUTH GROUPS: Scouts, Church and other nonprofit youth groups should contact us for special reduced rates.

BWCA ENTRY PERMITS & CAMPING FEES: Entry permits are required for overnight camping in the BWCA. Each permit and campsite allows up to nine people. Larger party sizes would need additional permits and must camp at more than one campsite. Permits are very limited so early reservations are advised. The BWCA camping fee is \$16 per adult per trip, while youth under age 18 pay \$8 per trip.

We'll gladly reserve permits in your behalf but you also have the option of going online and reserving direct with the Permit Center (www.recreation.gov). Each permit requires a \$6 nonrefundable application fee plus a camping fee deposit. You have the option of paying all camping fees in advance or just the \$32 minimum requirement (then pay the remainder upon arrival in Ely).

When we reserve a permit in your behalf we add a \$10 service fee.

QUETICO ENTRY PERMITS & CAMPING FEES: Each Quetico Park entry permit and campsite allows up to 9 people. All camping fees are payable in advance using a Visa or Mastercard. For the Prairie Portage entry point the camping fee amount is \$21.50 per adult per night and \$8.50 for those age 6-17 (in Canadian Funds). Go to www.ontarioparks.com to reserve a permit, or contact us and we'll take care of it on your behalf for a \$10 service fee.

CANADIAN CUSTOMS REQUIREMENTS: Those entering the Quetico Park through the Prairie Portage or Cache Bay Ranger Stations must clear Canadian Customs by mail at least 4 weeks in advance of the trip. We'll provide the necessary RABC form for this clearance once your Quetico entry permit has been secured. The RABC form covers the applicant, spouse, and all dependent children under age 18. The cost is \$30 Canadian. Anyone who has been convicted of a DWI-DUI offense in the past 10 years may be denied access into Canada. In those cases, plan a BWCA trip route.

PASSPORTS: Each person age 16 and older that visit Canada by land or water needs a Passport to re-enter the U.S. after the trip. Those under age 16 only need a copy of their Birth Certificate.

IMPORTANT QUETICO REGULATIONS: Food supplies may not contain cans or glass bottles. Bring Rabie shot papers for your dog. No live bait allowed. Barbless hooks required (you may pinch-down the barbs on the hooks that you presently have). Campsite maximum is 9 people.

Lodging costs range from \$19-\$30 per person, depending upon group size. In addition, we have a bunkhouse at Moose Lake for \$15/person.

GUIDES are not necessary in order to have a successful canoe trip. If, however, you feel that your party does need guide service, we can arrange it.
